Assured access through the Undercroft and its use as a spill out area: £10 for A and B bookings; £20 for Commercial bookings.

Provision of a bar licence: £10 for A and B bookings; £20 for C

You will need a licence to sell alcohol even if you are not taking money directly for it, but including it in the price of a ticket, or “pooling” money from your guests to pay for it. For private parties where the alcohol is given away by the hosts, or brought in by the guests, a licence is not needed, but still please tick to say you are serving alcohol, as it is our responsibility to make sure you do so in a legal and wise way. You will receive further details with your booking confirmation form.

Please note that you need to provide your own laptop. Additional information will be provided with your booking confirmation form.
