organisation to achieve its corporate aims and objectives; Improves the skill base of the employees, producing confident, highly qualified employees, volunteers and Councillors working as part of an effective and efficient team; and demonstrates that these team members are valued.

2.6 Training and development will be achieved by including a realistic financial allocation for training and development in the annual budget, as well as taking advantage of any relevant partnership or in-house provision available.

2.7 The process of development is as follows:

- Training needs should be identified by considering the overall objectives of the organisation, as well as individual requirements.
- Planning and organising training to meet those specific needs.
- Designing and delivering the training.
- Evaluating the effectiveness of training.

3. The Identification of Training Needs

3.1 Employees, volunteers and members will be asked to identify their development needs with advice from the Clerk and HR group. This should be done formally for employees as part of the annual appraisal.

- There are number of additional ways that the training needs of members, volunteers and staff may be recognised:
- Questionnaires
- During interview
- Following confirmation of appointment.
- Formal and informal discussion
- Following review of the Castle Cary Town Council's objectives and the required skills to meet those objectives.

Specific request should be made via the HR Working Group which will allocate funding or make further recommendation to Full Council dependant on the requirements of the Financial Regulations.

In order to best ensure cost effectiveness, volunteers, Councillors and employees will be required to attend the nearest learning provider/venue offering the required course, unless an alternative is authorised by TAG in the interest of operational effectiveness or best value.

5.2 Other considerations include the following:

- Implication of employee release for training course(s) on the operational capability of the Council
