

## THE CASTLE CARY TOWN CRIER

The Castle Cary Town Crier is an email information service run by the Town Council. Every now and then, it sends out snippets of news about events or issues relating to the town (or Ansford) that may be of interest or concern to residents – and nothing else.

We promise not to allow any individual, company or organisation to have access to our mailing list. And we will not send you rubbish.

We reserve the right to refuse items sent to us and to edit acceptable items if necessary.

This is an ‘opt in,’ service and many of you have done this in the past. However, because we cannot *prove* this, we are asking those of you who are already signed up to contact us at [carytowncrier@castle-cary.co.uk](mailto:carytowncrier@castle-cary.co.uk) and ask to ‘opt-in’ again. (If we have already contacted you about this and you have replied there is no need to do so again.)

Our old email list will become obsolete (due to the new General Data Protection Regulations) on 25th May....

For those of you who have not already signed up, here are a few of the comments about this service which we have received this week from some of our members who are opting to stay on the list.
